

**TMI**

Easy to use  
Display Station  
for ReelRite\* and other  
TMI Reels

## *Reel Display Station*

The Display Station is a 12 by 18 inch mounting platform that provides an attractive way to feature the new ReelRite\* line. It is perfect for counter tops or for floor displays of larger reels or stacked sets.

The display platform is anodized or powder coated and includes rubber feet to protect the counter top. Several mounting locations are provided to accommodate various reels and stands.

The Display Station is designed to feature a variety of reel types and styles to fit the requirements of your customers.
